

## CONTENTS

NEW SERIES · VOL. XXXVIII · No. 149 · JANUARY 1969

Venesection therapy in Idiopathic Haemochromatosis. By Roger Williams, P. M. Smith, E. J. F. Spicer, M. Barry, and Sheila Sherlock . . . . .	1
Achalasia of the Cardia: Pharmacology and Histopathology of Isolated Cardiac Sphincteric Muscle from Patients with and without Achalasia. By J. J. Misiewicz, Sheila L. Waller, P. P. Anthony, and J. W. P. Gummer . . . . .	17
Forced Diuresis in the Treatment of Acute Salicylate Poisoning in Adults. By A. A. H. Lawson, A. T. Proudfoot, S. S. Brown, R. H. McDonald, A. G. Fraser, Jean C. Cameron, and H. Matthew . . . . .	31
Maintenance Haemodialysis. By J. R. Curtis, J. B. Eastwood, E. K. M. Smith, J. M. Storey, P. J. Verroust, H. E. de Wardener, A. J. Wing, and E. M. Wolfson . . . . .	49
Combined Treatment with Antibacterial Chemotherapeutical Agents in Staphylococcal Infections. By Klaus Jensen and H. C. A. Lassen . . . . .	91
The Myocardium in Kwashiorkor. By B. A. Wharton, Susan E. Balmer, K. Somers, and A. C. Templeton . . . . .	107
Uraemia in Congestive Heart Failure. By J. G. Domenet and D. W. Evans . . . . .	117

## NUMBER 150, APRIL 1969

Active Coeliac Disease in Childhood. Clinical and Laboratory Findings of Forty-two Cases. By J. R. Hamilton, M. J. Lynch, and B. J. Reilly . . . . .	135
Retroperitoneal Fibrosis. A Radiological and Follow up Study of Fourteen Cases. By H. M. Saxton, F. R. Kilpatrick, C. H. Kinder, M. H. Lessof, S. McHardy-Young, and D. F. H. Wardle . . . . .	159
Quantitative Study of Doctor-Patient Communication. By C. R. B. Joyce, Grace Caple, Michael Mason, Evelyn Reynolds, and J. A. Mathews . . . . .	183
Nutritional Osteomalacia. By C. E. Dent and R. Smith . . . . .	195
Carcinoma at the Junction of the Main Hepatic Ducts. By M. J. Whelton, Mary Petrelli, Phyllis George, W. B. Young, and Sheila Sherlock . . . . .	211
Renal Tubular Acidosis, Acidosis due to Hyperkalaemia, Hypercalcaemia, Disordered Citrate Metabolism and other Tubular Dysfunctions following Human Renal Transplantation. By A. Z. Gyory, J. H. Stewart, C. R. P. George, D. J. Tiller, and K. D. G. Edwards . . . . .	231
Statistical Methods Applied to the Diagnosis of Hypothyroidism. By W. Z. Billewicz, R. S. Chapman, J. Crooks, M. E. Day, J. Gossage, Sir Edward Wayne, and J. A. Young . . . . .	255

## NUMBER 151, JULY 1969

Associated Skeletal and Cardiac Abnormalities: The Holt-Oram Syndrome. By Desmond W. Ashby, Joginder S. Chadha, and Charles B. Henderson . . .	267
Disproportionately Severe Breathlessness in Chronic Bronchitis. By B. H. Burns and J. B. L. Howell . . . . .	277
Acute Tropical Polyarthrititis. By B. M. Greenwood . . . . .	295
The Neuropathy of Acute Intermittent Porphyria. By Alan Ridley . . . . .	307
Idiopathic Membranous Glomerulonephritis in Adults: Remission Following Steroid Therapy. By S. P. Rastogi, J. Hart-Mercer, and D. N. S. Kerr . . .	335

## NUMBER 152, OCTOBER 1969

Allergic Alveolitis in Maltworkers. By Sonia Channell, W. Blyth, Melody Lloyd, D. M. Weir, W. M. G. Amos, A. P. Littlewood, H. F. V. Riddle, and I. W. B. Grant . . . . .	351
An Assessment of Various Methods of Treatment of Idiopathic Orthostatic Hypotension. By Roger Bannister, Leslie Ardill, and Peter Fentem . . . .	377
The Pericarditis of Rheumatoid Arthritis. By Julian Kirk and John Cosh . .	397
The Development of Cadmium-Induced Proteinuria, Impaired Renal Func- tion, and Osteomalacia in Alkaline Battery Workers. By R. G. Adams, J. F. Harrison, and P. Scott . . . . .	425
Plasma Insulin Studies in Two Hundred Patients with Diabetes Mellitus. By M. T. McKiddie and K. D. Buchanan with the Technical Assistance of I. A. Hunter . . . . .	445
Studies with Radioactive Copper ( $^{64}\text{Cu}$ and $^{67}\text{Cu}$ ): Abdominal Scintiscans in Patients with Wilson's Disease. By S. B. Osborn, K. F. Szaz, and J. M. Walshe . . . . .	467
Tests of Hypothalamic-Pituitary-Adrenal Function in Man. By H. S. Jacobs and J. D. N. Nabarro . . . . .	475
Xanthinuria with Myopathy. By R. A. Chalmers, Margaret Johnson, C. Pallis, and R. W. E. Watts . . . . .	493
Proceedings of the Association of Physicians of Great Britain and Ireland . .	513

## INDEX TO CONTRIBUTORS

ADAMS, R. G. The Development of Cadmium-Induced Proteinuria, Impaired Renal Function, and Osteomalacia in Alkaline Battery Workers . . . . .	425
AMOS, W. M. G. Allergic Alveolitis in Maltworkers . . . . .	351
ANTHONY, P. P. Achalasia of the Cardia: Pharmacology and Histopathology of Isolated Cardiac Sphincteric Muscle from Patients with and without Achalasia . . . . .	17
ARDILL, LESLIE. An Assessment of Various Methods of Treatment of Idiopathic Orthostatic Hypotension . . . . .	377
ASHBY, D. W. Associated Skeletal and Cardiac Abnormalities: The Holt-Oram Syndrome . . . . .	267
BALMER, SUSAN. E. The Myocardium in Kwashiorkor . . . . .	107
BANNISTER, ROGER. An Assessment of Various Methods of Treatment of Idiopathic Orthostatic Hypotension . . . . .	377
BARRY, M. Venesection therapy in Idiopathic Haemochromatosis . . . . .	1
BILLEWICZ, W. Z. Statistical Methods Applied to the Diagnosis of Hypothyroidism . . . . .	255
BLYTH, W. Allergic Alveolitis in Maltworkers . . . . .	351
BROWN, S. S. Forced Diuresis in the Treatment of Acute Salicylate Poisoning in Adults . . . . .	31
BUCHANAN, K. D. Plasma Insulin Studies in Two Hundred Patients with Diabetes Mellitus . . . . .	445
BURNS, B. H. Disproportionately Severe Breathlessness in Chronic Bronchitis . . . . .	277
CAMERON, JEAN. C. Forced Diuresis in the Treatment of Acute salicylate Poisoning in Adults . . . . .	31
CAPLE, GRACE. Quantitative Study of Doctor-Patient Communication . . . . .	183
CHADHA, JOGINDA. S. Associated Skeletal and Cardiac Abnormalities: The Holt-Oram Syndrome . . . . .	267
CHALMERS, R. A. Xanthinuria with Myopathy . . . . .	493
CHANNELL, SONIA. Allergic Alveolitis in Maltworkers . . . . .	351
CHAPMAN, R. S. Statistical Methods Applied to the Diagnosis of Hypothyroidism . . . . .	255
COSH, JOHN. The Pericarditis of Rheumatoid Arthritis . . . . .	397
CROOKS, J. Statistical Methods Applied to the Diagnosis of Hypothyroidism . . . . .	255
CURTIS, J. R. Maintenance Haemodialysis . . . . .	49
DAY, M. E. Statistical Methods Applied to the Diagnosis of Hypothyroidism . . . . .	255
DENT, C. E. Nutritional Osteomalacia . . . . .	195
DOMENET, J. G. Uraemia in Congestive Heart Failure . . . . .	117
EASTWOOD, J. B. Maintenance Haemodialysis . . . . .	49
EDWARDS, K. D. G. Renal Tubular Acidosis, Acidosis due to Hyperkalaemia, Hypercalcaemia, Disordered Citrate Metabolism and other Tubular Dysfunctions following Human Renal Transplantation . . . . .	231
EVANS, D. W. Uraemia in Congestive Heart Failure . . . . .	117
FENTEM, PETER. An Assessment of Various Methods of Treatment of Idiopathic Orthostatic Hypotension . . . . .	377

FRAZER, A. G. Forced Diuresis in the Treatment of Acute Salicylate Poisoning in Adults . . . . .	31
GEORGE, C. R. P. Renal Tubular Acidosis due to Hyperkalaemia, Hypercalcaemia, Disordered Citrate Metabolism and other Tubular Dysfunctions following Human Renal Transplantation . . . . .	231
GEORGE, PHYLLIS. Carcinoma at the Junction of the Main Hepatic Ducts . . . . .	211
GOSSAGE, J. Statistical Methods Applied to the Diagnosis of Hypothyroidism . . . . .	255
GRANT, I. W. B. Allergic Alveolitis in Maltworkers . . . . .	351
GREENWOOD, B. M. Acute Tropical Polyarthrits . . . . .	295
GUMMER, J. W. P. Achasia of the Cardia: Pharmacology and Histopathology of Isolated Cardiac Sphincteric Muscle from Patients with and without Achlasia . . . . .	17
GYORY, A. Z. Renal Tubular Acidosis, Acidosis due to Hyperkalaemia, Hypercalcaemia, Disordered Citrate Metabolism and other Tubular Dysfunctions following Human Renal Transplantation . . . . .	231
HAMILTON, J. R. Active Coeliac Disease in Childhood. Clinical and Laboratory Findings of Forty-two Cases . . . . .	135
HARRISON, J. F. The Development of Cadmium-Induced Proteinuria, Impaired Renal Function, and Osteomalacia in Alkaline Battery Workers . . . . .	425
HART-MERCER, J. Idiopathic Membranous Glomerulonephritis in Adults: Remission Following Steroid Therapy . . . . .	335
HENDERSON, CHARLES. B. Associated Skeletal and Cardiac Abnormalities: The Holt-Oram Syndrome . . . . .	267
HOWELL, J. B. L. Disproportionately Severe Breathlessness in Chronic Bronchitis . . . . .	277
HUNTER, I. A. Plasma Insulin Studies in Two Hundred Patients with Diabetes Mellitus . . . . .	445
JACOBS, H. S. Tests of Hypothalamic-Pituitary-Adrenal Function in Man . . . . .	475
JENSEN, KLAUS. Combined Treatment with Antibacterial Chemotherapeutic Agents in Staphylococcal Infections . . . . .	91
JOHNSON, MARGARET. Xanthinuria with Myopathy . . . . .	493
JOYCE, C. R. B. Quantitative Study of Doctor-Patient Communication . . . . .	183
KERR, D. N. S. Idiopathic Membranous Glomerulonephritis in Adults: Remission Following Steroid Therapy . . . . .	335
KILPATRICK, F. R. Retroperitoneal Fibrosis. A Radiological and Follow-up Study of Fourteen Cases . . . . .	159
KINDER, C. H. Retroperitoneal Fibrosis. A Radiological and Follow-up Study of Fourteen Cases . . . . .	159
KIRK, JULIAN. The Pericarditis of Rheumatoid Arthritis . . . . .	397

## INDEX

- Achalasia of the cardia: pharmacology and histopathology of isolated cardiac sphincteric muscle from patients with, 17.
- Active coeliac disease in childhood, 135.
- Acute tropical polyarthritis, 295.
- Allergic alveolitis in maltworkers, 351.
- Antibacterial chemotherapeutical agents, combined treatment with, in staphylococcal infections, 91.
- Assessment of various methods of treatment of idiopathic orthostatic hypotension, 377.
- Associated skeletal and cardiac abnormalities: the Holt-Oram Syndrome, 267.
- Association of Physicians, Proceedings of, 573.
- Battery workers, cadmium-induced renal impairment in, 425.
- Breathlessness, disproportionately severe, in chronic bronchitis, 277.
- Cadmium-induced renal impairment in alkaline battery workers, 425.
- Carcinoma at the junction of the main hepatic ducts, 211.
- Chronic bronchitis, disproportionately severe breathlessness in, 277.
- Coeliac disease in childhood, 135.
- Combined treatment with antibacterial chemotherapeutical agents in staphylococcal infections, 91.
- Congestive heart failure, uraemia in, 117.
- Copper, radioactive, studies in Wilson's disease, 467.
- Development of cadmium-induced proteinuria, impaired renal function, and osteomalacia in alkaline battery workers, 425.
- Diabetes mellitus, plasma insulin studies in patients with, 445.
- Disproportionately severe breathlessness in chronic bronchitis, 277.
- Diuresis, forced, in the treatment of acute salicylate poisoning, 31.
- Doctor-patient communication, quantitative study of, 183.
- Fibrosis, retroperitoneal, a radiological and follow-up study, 159.
- Forced diuresis in the treatment of acute salicylate poisoning in adults, 31.
- Haemochromatosis, venesection therapy in, 1.
- Haemodialysis, maintenance, 49.
- Heart failure, congestive, in uraemia, 117.
- Hepatic duct, main, carcinoma at junction of, 211.
- Histopathology of cardiac sphincteric, in achalasia of cardia, 17.
- Holt-Oram Syndrome-associated skeletal and cardiac abnormalities, 267.
- Hypotension, idiopathic hypostatic assessment of various treatment, 377.
- Hypothalamic-pituitary-adrenal function, tests of, in man, 475.
- Idiopathic membranous glomerulonephritis in adults, remission following steroid therapy, 335.
- Insulin, plasma, in patients with diabetes mellitus, 445.
- Kwashiorkor, the myocardium, 107.
- Maintenance haemodialysis, 49.
- Malt workers, allergic alveolitis in, 351.
- Membranous glomerulonephritis, idiopathic, in adults: remission following steroid therapy, 335.
- Myocardium in kwashiorkor, 107.
- Myopathy, xanthinuria with, 493.
- Neuropathy of acute intermittent porphyria, 307.
- Nutritional osteomalacia, 195.
- Orthostatic hypotension, idiopathic, assessment of various methods of treatment, 377.
- Osteomalacia, nutritional, 195.
- Osteomalacia, proteinuria, impaired renal function, cadmium-induced in alkaline battery workers, 425.
- Pericarditis of rheumatoid arthritis, 397.
- Pharmacology of isolated cardiac sphincteric muscle in achalasia of cardia, 17.
- Plasma insulin studies in two hundred patients with diabetes mellitus, 445.

- Polyarthrititis, acute tropical, 295.  
Porphyria, acute intermittent, the neuropathy of, 307.  
Proceedings of Association of Physicians, 513.  
Proteinuria, cadmium-induced in alkaline battery workers, 425.
- Quantitative study of doctor-patient communication, 183.
- Radioactive copper studies in Wilson's disease, 467.  
Renal tubular acidosis and other tubular dysfunctions following human renal transplantations, 231.  
Retroperitoneal fibrosis, a radiological and follow-up study of, 159.  
Rheumatoid arthritis, pericarditis of, 397.
- Salicylate poisoning, acute, forced diuresis in treatment of, 31.
- Staphylococcal infections, combined treatment with antibacterial chemotherapeutical agents, 91.  
Statistical methods applied to the diagnosis of hypothyroidism, 255.  
Steroid therapy, in idiopathic membranous glomerulonephritis, 335.  
Studies with radioactive copper: abdominal scintiscans in patients with Wilson's disease, 467.
- Tests of hypothalamic-pituitary-adrenal function in man, 475.  
Tropical polyarthrititis, acute, 295.  
Tubular dysfunctions following human renal transplant, 231.
- Uraemia in congestive heart failure, 117.
- Venesection therapy in haemochromatosis, 1.
- Wilson's disease, radioactive copper studies in, 467.
- Xanthinuria with myopathy, 493.
